

Liferaft and Lifejacket Service Stations (last updated 10 January 2022)

The following New Zealand liferaft servicing stations meet an acceptable standard, as required by the International Maritime Organisation (IMO) resolution A.761 (18) for servicing, repairs and repacking the listed makes of inflatable liferafts and lifejackets.

To maintain the right to service particular makes of liferafts and lifejackets; servicing stations are required to have been formally appointed by the manufacturer, have certificated personnel who have been properly trained by the manufacturer, carry genuine spare parts and have up-to-date servicing manuals.

For liferafts the following servicing is required:

- Vessels operating under SOLAS or MOSS - yearly servicing is mandatory
- Recreational vessels not operating under SOLAS or MOSS - servicing intervals **may** be at the manufacturers recommendation
- Yachting NZ Cat.1 (offshore) and Cat.2 (coastal) vessels - liferaft **must** be serviced in accordance with manufacturers recommendations **Note:** Beaufort RBM liferafts are to be serviced only at RFD stations.
